**Newsletter for December  
Children, Youth and Young Families**

Merry Christmas!

Our church extends a gift to our children and young families--a children's library of materials for your edification and joy. There are books of all reading levels—picture books, novels, chapter books, graphic novels, work books and DVDs. This curated Christian content is designed to bring our children's minds, hearts and imaginations closer to the great, creative Creator. Note that there are also resources for parents on the top shelf about marriage, parenting, helping answer kids questions about various topics and leading them in faith. The little library is the bookshelf just outside of the children's classroom, upstairs. There is a check out and return form on the bookshelf for you to sign when you take a resource. We request you return or re-check a resource in approx. in 14 days. Up to 4 check outs at a time are welcome. We pray these resources bless your family as you continue partnering with Christ's church to disciples of your children at home. This month's library highlight: Multiple resources for Advent and Christmas!

I want to give sincere thanks to all the volunteers for youth, children and young family ministries this year! These ministries are very dependent on volunteers who love Jesus and kids, and have patience, stamina, creativity, energy and determination to stick with it. Thank you for teachers, assistant teachers, extra hands, VBS volunteers, and to drivers. Many of your used your personal vehicles and gas several times this year to transport kids for special events and service opportunities. These were highlights for our youth especially, and wouldn't be possible without you.
