Guide kids on the ultimate Alaskan adventure where northern lights glow over majestic mountains, racing rivers, and glistening glaciers. As kids trek the tundra, they'll explore how easy it is to lose sight of what's true in our wild world today. Pointing them toward Jesus, True North VBS shows them that he is a faithful friend we can always trust. He's our True North!

Flag Day is a holiday celebrated on June 14 in the United States. It commemorates the adoption of the flag of the United States on June 14, 1777 by resolution of the Second Continental Congress. The Flag Resolution stated "That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

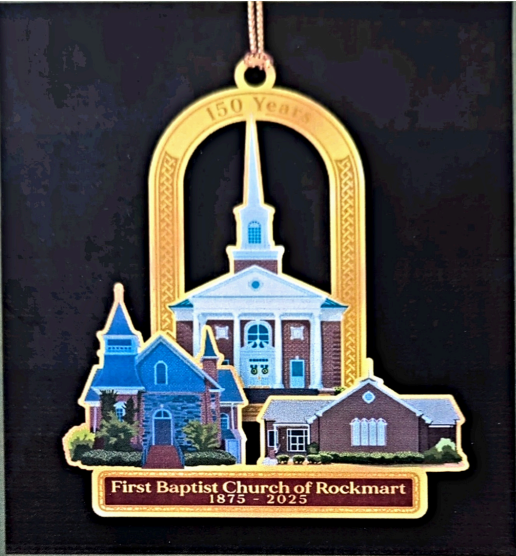

We have finished our 2nd year with our new preschool. Thank you to each one who helped, contributed, or volunteered in any way to make the year a success.

Hallelujah, we are filled for the next school year!

Camping with a Chance will be using our facilities on the weekend of June 20 & 21st. This is a special event for special needs children and young people. If you would like to volunteer, please see Stephanie Mears or Michaela Odom.
